“Burn How lets you feel relaxed and carefree . . .”

The hotel is unique in the Lake District: an oasis in the middle of bustling Bowness. Our selection of individually designed rooms and chalets surrounded by beautiful gardens offer both privacy and seclusion, although just a two-minute stroll from Windermere and the village of Bowness.

You have a choice of traditional rooms, four poster rooms and garden chalets.

All rooms have their own individual adjacent parking space, most have private sun balconies and all have en-suite bathrooms, flat screen televisions, telephones and a wide selection of beverages.

Many rooms are on the ground floor, and we pride ourselves in providing rooms to suit all our visitors; offering access and facilities for wheelchair users and the less agile.

Our reception staff will help you choose the most suitable room to ensure you make the most of your stay with us.
